

CN390

Digital Piano

Outstanding Tone, Touch and Value

Introducing Kawai's newest affordable, high performance digital pianos.

By combining Kawai's critically-acclaimed Harmonic Imaging sound technology with our remarkably responsive Advanced Hammer Action III weighted keyboard, the CN390 brings a new level of performance and value to digital pianos.

CN Digital Pianos

KAWAI

More...

The CN390 features 20 exceptionally authentic instrumental sounds reproduced by a 40 Watt stereo sound system. The CN390 is packed full of great features including a built-in metronome, recorder, dual and Split modes, reverb and effects, MIDI interface and two pedals. We've even included a serial PC interface for direct connection to a personal computer or the Internet!

With an attractive finish, sliding key cover and two headphone jacks, the CN390 makes the perfect piano for just about everyone!
