More...

The CN470 features 18 exceptionally authentic instrumental sounds reproduced by a powerful 80 Watt stereo sound system. The CN470 is packed full of great features including a built-in metronome, recorder, dual and split modes, reverbs and effects, MIDI interface and three pedals. We've even included a serial PC interface for direct connection to a personal computer or the Internet!

Plus, there's Concert Magic... Kawai's fun and interactive way to play dozens of popular songs, even if you've never played before. All this, and much more, makes the CN470 the perfect digital piano for beginners and professionals alike.
